Mr. Steven T. Burnum
 Program Manager
 Pacific Nuclear Systems and
 Services, Inc.
 2900 George Washington Way
 Richland, WA 99352

Dear Mr. Burnum:

We have reviewed the Topical Report, "Envirostone and Portland Cement Encapsulation of Radioactive Filter Elements." Enclosed are our formal comments.

We have also forwarded a copy of our comments to the State of South Carolina and the State of Washington, which have responsibility for regulating the commercial sites within their states. If we receive additional comments from these states, we will forward them to you.

To allow us to continue with the review process without further delay, please send us responses to our comments prior to December 13, 1985.

If you have any questions, please call Mr. Kien Chang (301-427-4538).
