Lisle, Illinois 60532-4351

Dear NRC:

At the next amendment to isotope license 24-20274-01, please add the following physicians and their groups to our list of authorized users:

Paul L. Chesis, M.D. 10 CFR 35.100, 35.200, 35.300 and 31.11

The requested users are currently authorized on license 19-B434-01 at Olathe Hospital. A copy of their License listing him as a user and their approved groups for usage is attached. I have also attached a letter confirming his Nuclear Medicine Boards. Thank you for your assistance. Please do not hesitate to contact myself or Dennis Sousley, Director of Radiology if you have any questions.

Sincerely,

A handwritten signature in cursive script, appearing to read "Gordon Docking".

Dear Doctor:

This letter is to inform you that your application for licensure to practice your Healing Arts Profession in the State of Kansas was approved by the Board of Healing Arts at the regularly scheduled meeting of the Board on April 5, 1997. Your original certificate will be mailed within the next two months.

This is to serve as evidence that you have been assigned Kansas Certificate Number 04-26768 effective: April 5, 1997. Prior June 30, 1998, an application for license renewal will be mailed to your current mailing address listed with our office.

If you have moved since you made application with us, please notify our office in writing of the change of address. Your address cannot be changed until we receive this notification.

If you have any questions, please feel free to contact the Board Office.

Sincerely,
Charlene K. Abbott

Christina Lynn Newbury
Notary Public
for the State of Missouri, City County

Dear Doctor:

With great pleasure, the American Board of Nuclear Medicine informs you that you have passed its September 7, 1996 Certifying Examination in the broad field of nuclear medicine and are now recognized as a certified specialist in nuclear medicine. A certificate indicating this recognition will be sent to you in the near future. The American Board of Nuclear Medicine congratulates you upon your achievement and this recognition.

The scores below indicate your performance in the several content areas of the examination. Please consult the enclosed interpretive note for further explanation. The Board hopes this information will be helpful.

Content Area	Percent You Answered Correctly	Comparison Group Mean % Correct
Bas. Sci - Rad. Hlth-NMR	82	70
Cardiovascular	86	75
Endocrine	75	73
Gastrointestinal	96	78
Hematology/Oncology	77	73
Neurology	85	73
Pulmonary	83	72
Renal	90	73
Musculo-skeletal	66	69

Sincerely yours,

James J. Conway, M.D.
