Read the following information to the specific licensee to obtain information relative to 10 CFR 32.52 (Quarterly Reports):

Our office works with the Nuclear Regulatory Commission in recording information from material transfer reports. Concerning your license authorizing the distribution of devices to persons who hold a general license under 10 CFR 31.5, we need the following information to process your Quarterly report. If you would rather not provide this information over the phone, please mail the requested information to Tim Borges, Ph.D., 1060 Commerce Park, Room 108, Oak Ridge, TN 37830 or to the U.S. Nuclear Regulatory Commission, Attention Mr. John W. Lubinski, Mail Stop T-8F5, Washington, D.C. as soon as possible.

Reporting Quarter

Year	First	Second	Third	Fourth
94	_____	_____	✓	_____

_____ The report has not been provided to this office.

_____ The report did not contain a complete list of individuals by name and/or position who may serve as a point of contact between the commission and the general licensee.

_____ The report did not contain the following for each general licensee:

_____ model number of the devices transferred,

_____ quantity and type of byproduct material contained in the devices, and/or,

_____ the complete address for each general licensee. The addresses are missing the street, city, state, and zip code.

_____ The report include the transfer of devices that are not listed on our copy of your distribution license, specifically, model number _____. Please provide us with a copy of your license authorizing the transfer of such devices.
