December 17, 1998

United States Nuclear Regulatory Commission  
Attn: Document Control Desk  
Washington, DC 20555

Subject: Reply to a Notice of Violation  
Docket No. 030-31156

Item 1. Reason for violation

The violation occurred due to a misunderstanding of the temporary jobsite rule as described in section 10 of our materials license.

Item 2. Corrective steps taken and results achieved

An amendment to our license to include the permanent locations on the outer islands was requested on October 28, 1998. These locations were subsequently authorized by Amendment No. 4, issued November 19, 1998.

Item 3. Corrective steps to prevent further violations

All satellite office locations have been included in the license.

Item 4. Date when full compliance was achieved

Full compliance with this notice of violation was achieved on November 19, 1998.

Respectfully,  
CONSTRUCTION ENGINEERING LABS, INC.
