Morley Job No. 5918

Gentlemen:

Attached is one (1) copy of the project specification and one (1) copy of the field inspection services report for the construction of Isomedix Inc.'s Irradiation Facility in Libertyville, Illinois, as you requested on your site visit of October 1, 1985.

The design calculations and certification for the stainless steel welding will be forwarded to you upon our receipt of this information.

Should you have any questions regarding the above matter, please contact me at (312) 291-8059.

Very truly yours,

R. A. MORLEY CO., INC.
