Dear Mr. Campbell:

On December 5, 1997, we sent you Quality Assurance Program (QAP) Approval for Radioactive Material Packages No. 0231, Revision No. 7. However, Block No. 1, "Revision Number", contained a typographical error. The revision should have been Revision 8, not Revision 7.

Enclosed is QAP Approval for Radioactive Material Packages No. 0231, Revision No. 8, as amended. This Approval satisfies the requirements of 10 CFR § 71.12(b) for a QAP approved by the Commission.

Please note the conditions in the Approval.

This Approval will remain in effect until the expiration date, indicated in Block No. 3. Termination of your materials license does not cause this Approval to be automatically terminated. If you wish to renew, amend, or terminate this Approval, please request it in writing.

Sincerely,
