RE: 3RD QUARTER 1993 TRANSFER REPORT - NRC

Our office works with the Nuclear Regulatory Commission in recording information from material transfer reports. Concerning your general license issued under 10 CFR 31.5, we need the following information to process your Transfer report. If you would rather not provide this information over the phone, please mail the requested information to Tim Borges, Ph.D., 1060 Commerce Park, Room 108, Oak Ridge, TN 37830 or to the U.S. Nuclear Regulatory Commission, Attention Ms. Cheryl Barnes, Mail Stop T:8F5, Washington, D.C. as soon as possible.

- ☐ The report did not provide the name or address of the person receiving the device.
- ☐ The report did not provide the manufacturer name or model number of the devices transferred
- ☐ The report did not provide the quantity and type of byproduct material contained in the devices.
- ☒ The report did not list the name and/or position of an individual who may serve as a point of contact with the NRC (*see attached*).

Sincerely,

Tim Borges, Ph.D.
