Dear Ms. Jackson:

Transfer of Sentex GC Unit

Conoco Inc. in Ponca City, Oklahoma is in the process of transferring ownership of a Sentex Scentograph Plus Gas Chromatograph, Serial Number 70K 331 to Polar Lights Limited in Russia. The gas chromatograph has an ECD detector, Model 50319-4, Serial Number 752393-17 containing a 45 millicurie tritium source. The responsible person for this unit in Polar Lights Limited will be Vladimir T. Yelin. Their address is:

Polar Lights Limited  
2/68 Pomorskaya Street  
Arkhangelsk, Russia 163061

Since the gas chromatograph was purchased under a general license, we require your permission to complete the change of ownership. I can be reached at (405) 767-4089 if additional information is needed.

Sincerely,

Mark Farnsworth  
Radiation Safety Officer

Ridgefield, NJ 07657

ATTN- Christine:

M & B Tech, Inc has acquired the Sentex Chromatograph SN: 70k-240, originally purchased from Sentex by QUAD Environmental Tech. Corp. QUAD closed their doors and quit business sometime the latter part of 1995, owing their creditors several million dollars. At the time they quit business M & B was in possession of this instrument and a creditor owed over \$42,000.00.

As requested on the our recent purchase order please check out and re-license with the NEC for a life time license.

The old QUAD NEC license 34-26216-01, reference no. 030-31813 was applied for May 15, 1990 and expired Sept 30, 1995.

Please note: This instrument has not been utilized since the license expired.

Sincerely;

SIGNED

Dear Mr. Linenberg:

This is to notify you that the person responsible for Sentex portable GC with enclosed ECD, serial number 71K1-461, is Dr. Lawrence Tirri, at the same address as myself. This is NOT a transfer out of state, or a change in ownership, since the owner is still the University of Nevada, Las Vegas.

Sincerely,

A handwritten signature in cursive script, appearing to read "Thomas A. Graham".
