Re: Docket No. 50-133

Dear Mr. Goller:

This is in reply to your letter dated June 5, 1974 regarding our plans for implementing the requirements of paragraph C.1.a of Regulatory Guide 1.17, "Protection of Nuclear Power Plants Against Industrial Sabotage." These plans were described in my letter dated April 15, 1974 and were subsequently discussed with members of your staff. In accordance with these plans, two guards having in their possession loaded firearms are now stationed at the Humboldt Bay Power Plant on a 7-day week, 24-hour basis.

Very truly yours,

F. T. Searls
