Gentlemen:

Subject: Inspection No. 86-01

This refers to your letter dated April 15, 1986, in response to our letter dated March 20, 1986.

Thank you for informing us of the corrective and preventive actions you documented in response to our correspondence. However, your letter has been reviewed and additional information is found to be needed.

In response to item C, you failed to indicate whether personnel have been re-trained to insure that measurements of excessive radiation levels on incoming packages will be reported in accordance with procedures contained in your license.

Please submit to this office within seven (7) days of receipt of this letter a written statement containing the requested information.

Sincerely,

Original Signed By:
