Dear Sir:

This is to advise you of the transfer of ownership of three (3) Filtec FT12 level gauges which are under general license. These devices were distributed by Industrial Dynamics Company of Torrance, California under license #GL1586-70 to Exxon Company, U.S.A. Bayway Refinery for use at the Bayonne, New Jersey can-filling operation.

Further identification of these devices appears below:

<u>Isotope</u>	<u>Activity</u>	<u>Serial Number</u>
AM 241	100 mCi	104143
AM 241	100 mCi	104382
AM 241	100 mCi	105000

The above items will change ownership to Exxon Company, U.S.A. Marketing Department, Bayonne, New Jersey. This change will not affect the location of the sources or the purpose for which they are used.

Mr. S. E. Killiany, Jr. will serve as contact for all matters concerning radiation safety and accountability. He can be contacted at (713) 656-3904 or at the following mailing address:
