Subject: Notification of Source Transfer Due to Sale of Facility.

Dear Sir:

I am sending you this letter as formal notification of the transfer of the sources located at the facility known as the Wyomissing Division of the James River Corp. This "transfer" has occurred due to the sale of this facility to Decorative Specialties International (D.S.I.), Inc. headquartered in South Hadley, Massachusetts.

This is a name change only. The four Kr-85 sources used for on line paper coating will remain at their present locations on the coating machines. There are no plans for the changing, relocating or removing of these sources.

If you have any questions concerning this "transfer", please feel free to contact me at (215) 926-1996.

Best personal regards
