Hematite, Missouri 63047

SUBJECT: REVISED FUNDAMENTAL NUCLEAR MATERIAL CONTROL PLAN  
(TAC NO. L30980)

Dear Mr. Sharkey:

This refers to your application dated June 13, 1997, requesting a revision to your Fundamental Nuclear Material Control (FNMC) Plan.

Our review of your revised FNMC Plan and our discussion with your staff during a licensing visit at your facility on August 25, 1997, have identified additional information that is needed before final action can be taken on your request. The additional information, specified in the enclosure, should be provided within 30 days of the date of this letter. Please refer to the above TAC No. in future correspondence related to this request.

The enclosure contains proprietary information. Under the provisions of 10 CFR 2.790(d), reports containing information related to an applicant's material control and accounting program are exempt from public disclosure. Accordingly, the enclosure will not be placed in our public document room.

If you have any questions, please contact me at (301) 415-8155 or Thomas Pham at (301) 415-8154.

Sincerely,

*SS*
