DIRECTOR OF NUCLEAR MATERIAL SAFETY & SAFEGUARDS
US NUCLEAR REGULATORY COMMISSION
WASHINGTON DC 20555

Gentlemen:

Attached is a copy of notification of transfer from ABB Corporation for a basis weight gauge removed from service at our location. It was replaced with Accuray source Model S-20, containing 1,000 mci of Pm-147, serial number P-190A for use in Accuray device Model 0-7.

Sincerely,

Robert Carr
