Gentlemen:

The enclosed application by the USS HUNLEY (AS-31) to amend U.S. Nuclear Regulatory Commission Materials License No. 31-17677-01 is endorsed.

This amendment is necessary because Technical Operations, Incorporated desires to supply only the Model 866 source assembly for the Model 520 gamma camera as previously discussed with your staff. Your expeditious review and approval prior to 1 August 1986 is requested to permit procurement of a replacement source.

It is requested that receipt acknowledgement data be forwarded to this Office on the enclosed card.

Sincerely,

P. J. DURFEE
Commander, MSC, USN
Officer in Charge
