Re: License No. 29-20788-01/29-20788-02G

Dear Sir,

With regard to the above referenced licenses, and pursuant to Regulation 10 6CFR 32.51, this is to notify you of the transfer of Siemens AG Model 42 Electron Capture Detectors containing Nickel 63 foil, and not exceeding 10 milliCuries, from ES INDUSTRIES, Suite 3, 701 Cooper Road, Voorhees, NJ 08043. The enclosed report includes all transfers made during the period of April 1, 1991 - June 30, 1991.

Sincerely Yours,

James F. Behm

John, ^{only}
Then NIST listed in the Rec.
code book has a Washington,
D.C. address. Is this the
same?

OK

Sandra
