Dear Mr. Reamer:

On October 27, 1997, I wrote to you concerning the October 6, 1997, meeting between NRC and Waste Control Specialists, LLC. The cover page of that letter stated that it was a "Privileged and Confidential, Attorney-Client Communication." Following discussions with Mr. Pat Siemien, NRC OGC, and our client, I have determined that the October 27, 1997, letter need not be considered such a communication.

Consequently, please disregard the "Privileged and Confidential, Attorney-Client Communication" in my October 27, 1997, letter to you. I understand that removal of this language may result in the placement of the letter into the NRC's Public Document Room files.

Please feel free to contact me at (202) 663-9056 if you have any questions on this matter. We appreciate your efforts to answer our questions.

Sincerely,

Donald P. Ferraro
