THE EXPORTER (ICN) THEN USES THE UPGRADED
HEAVY WATER IN MANUFACTURING PROCESSES THAT
INVOLVE DEUTERATED NMR SOLVENTS.

I hope that this alleviates the immediate problem. Also, I believe it would be beneficial for my company to possess a long-term license. If you could send me the details on acquiring one, I will undertake the matter at once.

Thank you for your prompt attention to these matters. If I can be of any help or if further information is needed, please don't hesitate to contact me at 617-661-8220.

Best regards,
