Dear Ms. Robinson,

This is in regard to my FOIA request 85-327 dated May 1, 1985.

You indicated by your July 5, 1985 letter that the information I requested is within OI files Q4-84-052, Q4-84-053, and 4-84-056. You further stated that these files are subject to my pending FOIA 85-101 and will be addressed in accordance with that FOIA request. Firstly, 85-101 is a GAP FOIA, it is not mine. Secondly, it is dated February 6, not May 1. Therefore I would like to formally request that your office send me any and all OI files relative to my May 1 request. (I would also like to inform you that although I requested OI cases that my request extended to any and all documents within any other NRC department which may have involved those cases.)

Since you further stated that a FOIA could not be on going in nature, I am asking that the information I requested in FOIA 85-327 be forwarded to me for the entire year prior to the date you received my May 1, 1985 FOIA, not the February 2 GAP FOIA.

As this issue has been pending for 3½ months, and you have indicated that there are files available subject to my request, I would appreciate a prompt response. I am also submitting to your office today under another cover, a similar request for all concluded OI cases from May 1, 1985 to present. I wished to apprise you of this so there will be no confusion between the two.

Once again, an immediate response to my FOIA 85-327 would be greatly appreciated and I believe is in order.

Thank you.
