Re: New Application

Gentlemen:

Enclosed please find a complete application for WEST SHORE
NUCLEAR CARDIOLOGY CENTER.

The following supplementary information is submitted.

1. The emergency procedures will be posted and implemented as necessary. The individuals to be notified and the phone numbers will also be posted.
2. Wipe test analysis, if needed, will be performed in accordance with procedures outlined for Universal Consultants, Inc., NRC license # 34-20327-01.
3. ALARA - As soon as new staff members report for duty and at least annually thereafter, training will be provided for the safe handling of the sources and any license changes. Annually the personnel monitoring results will be reviewed. Consideration will be given to ways of reducing exposure and implementing new procedures.
4. All unit doses will be returned to the manufacturer in the original shipping container.

If you have any questions regarding this application, please do not hesitate to contact Mr. Vincent A. Gargaro with Universal Consultants, Inc., North Ridgeville, Ohio at (216) 327-9432.
