NRC-10-96-155 Modification No. 48 Page 2 of 2

The Contractor is hereby directed to give immediate effect to the changes identified below. All work is to be performed in accordance with the base contract specifications except as noted herein.

The following electrical and mechanical modifications to the contract drawings shall be made in accordance with the attached coordination drawing for the fifth floor:

- 1 Install seventeen (17) additional duplex outlets.
- 2. Install two (2) additional Independent Ground (IG) outlets.
- Relocate six (6) additional light fixtures.
- 4. Install four (4) additional light fixtures.
- 5. Install one (1) additional single pole light switch.
- 6. Install one (1) return air grille.
- Delete installation of 4 8/C furniture junction box connectors.

The Contractor shall record the above modifications in the As-Built drawings.

The Contractor is requested to provide a proposal for adjustment within ten (10) calendar days of the effective date of this change order. Upon completion of negotiations, a supplemental agreement will be issued to incorporate an equitable adjustment for these changes.

Except as provided herein, all other terms and conditions remain unchanged and in full force and effect.
