FREEDOM OF INFORMATION  
ACT REQUEST

FOIA-85-777

Rec'd 11-26-85

Mr. James Felton, Director  
Division of Rules and Records  
Office of Administration  
U.S. Nuclear Regulatory Commission  
Washington D.C. 20555

Dear Mr. Felton:

This is a request under the Freedom of Information Act,  
as amended (5 U.S.C. §552).

I would like to obtain any and all documents pertaining to  
the investigation of harassment and intimidation allegations  
by Comstock Quality Control inspectors (Inspection Report  
50-456/85021, 50-457/85022). This request includes but is not  
limited to any and all notes, correspondence, memoranda, drafts  
or other documents in the possession or control of Mr. R. Mendez  
and Mr. J.H. Neisler and others involved in Inspection 50-456/  
85021/50-457/85022 conducted by NRC Region III at the Braidwood  
nuclear station.

I am one of the attorneys for Business and Professional  
People for the Public Interest ("BPI"). We are currently  
involved in the Braidwood operating license proceeding before  
the Nuclear Regulatory Commission.

We are prepared to pay reasonable costs for reproducing  
the requested materials. However, the Act does provide that  
you may reduce or waive the fees if doing so "is in the public  
interest because furnishing the information can be considered  
as primarily benefitting the public." I believe this request  
fits that category, and therefore request that you waive any  
fees.
