Re: Notification of receipt and loading of Cobalt-60 sources in a gamma knife.

Dear Ms. Frazier:

As required by the conditions of our Byproduct Material License No. 34-05469-01, we are notifying you of the schedule for receipt and loading of cobalt-60 sources in a newly acquired gamma knife. The following is the schedule as presently planned by the manufacturer, Elekta Instruments, Inc.:

|                          |                                                                                                |
|--------------------------|------------------------------------------------------------------------------------------------|
| Monday Nov. 17, 1997:    | Deliver the gamma knife, loading machine and cobalt-60 to the site.                            |
| Tuesday Nov. 18, 1997:   | Finish placing the loading machine and cobalt-60 into loading position. Test of loading tools. |
| Wednesday Nov. 19, 1997: | Load gamma knife.                                                                              |
| Thursday Nov. 20, 1997:  | Remove cobalt-60 cask and loading machine.                                                     |
| Friday Nov. 21, 1997:    | Place radiation unit in treatment position and commence installation of gamma knife.           |

If you have any questions, please call our radiation safety officer, P. S. Rao, at (216) 844-1295.

Sincerely,
