COMMENT RESOLUTION

In their vote sheets, all Commissioners approved the staff's recommendation and provided some additional comments. Subsequently, the comments of Chairman Jackson were not accepted by a majority of the Commission, which agreed with the SRM as issued. Also, Commissioners McGaffigan and Diaz developed a separate memorandum, which is included in this voting record, and in which Commissioner Dicus indicated agreement. The comments of a majority of the Commission were incorporated in the guidance to staff as reflected in the SRM issued on January 22, 1998.
