MAMORANDUM FOR: V. S. Noonan, Director
Comanche Peak Project

FROM: Herbert Livermore
TRT QA/QC Group Leader

SUBJECT: FUEL POOL TRAVELLERS

In the process of reviewing the inspection travellers for the Comanche Peak fuel pool liners, the TRT QA/QC group discovered one traveller, No. 591, which has some significant appearance of falsification. After consultation with lawyers from the Office of the Executive Legal Director and Region IV Office of Investigation, it was decided that investigation of falsification of this traveller was more properly an activity for Region IV OI. You are therefore, requested to transfer the investigation of falsification related to traveller 591 to Region IV OI (Brooks Griffin).
