Dear Sir,

The purpose of this letter is to inform you of a change in status of one of our radiation producing machines. The Veeco 2100MP ion implanter that was removed from our license in July of 1986 as it was warehoused, and not intended for installation, has been sold to Orbit Semiconductor at 1230 Bordeaux Drive in Sunnyvale.

If you require any further information, please feel free to contact me at (415) 858-4971.

Sincerely,

Andrew Abrams II
Manager, Safety, Health,
and Environmental Programs
