

UNITED STATES
NUCLEAR REGULATORY COMMISSION
WASHINGTON, D.C. 20555-0001

January 7, 1999

Mr. Joe F. Colvin
President and Chief Executive Officer
Nuclear Energy Institute
1776 Eye Street, N.W.
Suite 400
Washington, D.C. 20006-3708

Dear Mr. Colvin:

The Commission is pleased to receive the Nuclear Energy Institute's November 25, 1998 letter setting forth the nuclear industry's legislative priorities for the 106th Congress. The Commission anticipates submitting its legislative proposals to the Congress early in the legislative session and will consider the industry's objectives as the Commission develops its own initiatives.

Sincerely,

Shirley Ann Jackson
