Subject: License Renewal With Application and Fee

Dear Ms. Johansen:

Enclosed please find our application renewal for our license referenced above. The application and procedures have been revised to comply with the Proposed Revision 2 to Regulatory Guide 10.6. Your prompt review of this application will be greatly appreciated as we are in need of this license to fabricate critical naval nuclear components.

Please feel free to call if you have any questions on the procedures or application fee.

Sincerely yours,
