Telecon with Alleger A-3:

1/27/85 (1115 EST)

I called alleger A-3 to arrange a feedback interview to discuss a few remaining items that have been completed by the Comanche Peak TRT. I indicated to the alleger that since we only have a few items it might be more expedient for the TRT to send her a letter outlining our resolution of these issues. The alleger agreed, and I indicated that a letter would be forthcoming with this information. Alleger also requested a copy of the QA/QC letter. [REDACTED]
