This letter is to notify you of the transfer of a radioactive source from LFE Corporation to the James River Corporation Packaging Business at One Better Way Road in Milford, OH 45150-2743. LFE Corporation is located in Boston, Mass (NRC License Number 20-01382-16G). The source is identified as follows:

KR-85 sealed source, Serial Number 1D018, 1Ci.

The source was contained in an LFE Model MKCROT 4x4 generally licensed thickness gauge which was distributed to us as follows:

Date of Transfer:	Dec. 22, 1993
Date of Installation:	Jan. 5, 1994

Very truly yours,

David J. Kalisch
