Mr. Hugh L. Thompson  
Director of Nuclear Material and Safety and Safeguards  
U.S. Nuclear Regulatory Commission  
Washington, D.C. 20555

SUBJECT: TRANSFER OF NUCLEAR PRODUCTS COMPANY  
STATIC MASTER BRAND DEIONIZER

Dear Mr. Thompson:

One (1) Nuclear Products Co. Model IC 200 Static Master static eliminator, containing 10 mCi polonium-210, was sent to Bionomics, Inc., on 07 June 1994. The serial number could not be found on the device. The device was shipped to Bionomics, Inc., Route 8, Harriman, TN 37748. As no replacement device is being obtained, this information is being provided to you pursuant to 10 CFR 31.5(c)(8).

Sincerely,

*Eric D. Dennison*
