Deerfield Specialty Papers, Inc.
PO Box 5437
Augusta, GA 30916-5437

ATTENTION: John E. Gareau

Dear Sirs,

This letter is to inform you that the following sources have been received by Valmet Automation (USA) Inc., Norcross, Georgia, and are now in our possession under our State of Georgia Radioactive Material License, number GA 458-2. This action releases Deerfield Specialty Papers of all responsibility of ownership of these sources.

<u>DATE</u> <u>RECEIVED</u>	<u>SOURCE</u> <u>SERIAL NO.</u>	<u>ISOTOPE</u>	<u>mCi</u> <u>VALUE</u>	<u>SOURCE</u> <u>MODEL</u>
2/ 8/94	100	Kr 85	50	AAC40079
2/ 8/94	101	Kr 85	50	AAC40079
2/ 8/94	54487	Kr 85	50	USRC
2/ 8/94	54488	Kr 85	50	USRC
2/ 8/94	1359BK	Kr 85	100	FIFE

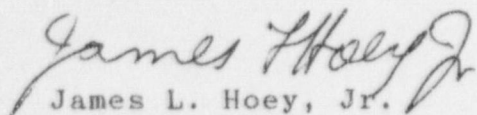

To comply with the requirements for notification of transfer in the Code of Federal Regulations Title 10, Part 31.5, we recommend you forward a copy of this letter to:

Director of Nuclear Materials Safety & Safeguards
U.S. Nuclear Regulatory Commission
Washington, DC 20555

If these sources were registered in your state, we suggest you also notify those regulatory authorities of this transfer.

Sincerely,

VALMET AUTOMATION (USA), INC.

James L. Hoey, Jr.
Radiation Safety Officer*NR03/1*
