Gentlemen:

This is in reference to your application dated March 19, 1985 and letter dated June 28, 1985, to amend License No. 31-00032-04.

Please confirm that your institution has an FDA-approved Radioactive Drug Research Committee to approve all human research protocols. If you do not have such a committee, please name the institution having such a committee and a letter indicating this committee has agreed to review your protocols.

We will continue our review of your application upon receipt of the above information. Please reply in duplicate, referencing Control No. 04181.

Sincerely,

Original Signed By:
