Gentlemen:

This refers to your December 2, 1985 letter which accompanied the \$230 amendment fee requested in our letter of November 19, 1985.

Your November 4, 1985 request for an amendment to Materials License 29-11588-01 for an extension of the service and maintenance period has been forwarded to the Region I Licensing staff for processing. The Licensing staff will also respond to your request for information and updated regulations regarding the five-year inspection.

Sincerely,

Original Signed By
Glenda Jackson
