Re: Amendment of License # 37-20549-01

Dear Dr. Glenn:

Please amend our license to include the name of Dr. Stephen Burrows. Dr. Burrows practiced Radiology and Nuclear Medicine in Illinois. He was board certified in Radiology in 1978. He practiced under NCR license #12-00173-04, which expires in March 1983.

Enclosed you will find a check for \$40.00 to cover the amendment. If you have any questions, please do not hesitate to contact me.
