SUBJECT: TRANSFER OF RADIATION DEVICES

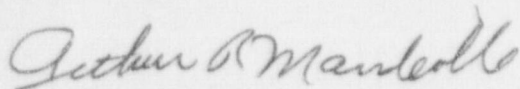

Dear Sir:

This letter is to inform you that Graphics Technology International, Inc. (GTI) has been purchased by Rexham Corporation of Charlotte, NC. and that, effective July 12, 1993, our name has been changed to **Rexham Graphics, Inc.**

There was no change in personnel and, as a result of the transaction, I remain as Radiation Officer and have thusly transferred from Graphics Technology International and received on behalf of Rexham Graphics, Inc. the noted radiation devices.

The following is a record of location for the radiation sources at Rexham Graphics, Inc., formerly Graphics Technology International, as of July 12, 1993.

Sincerely,

Arthur R. Mandeville
Radiation Officer
