RE: License #24-24518-01
Reference #030-2C715

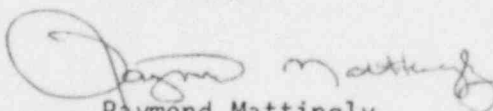

Dear Mr. McCann:

This is to verify the conversation held with Mr. Richard Mendoza on December 23, 1985 regarding the hospital's request for a name change of the Nuclear Regulatory license originally issued to Charter Hospital. As was noted, this license should now be issued in the name of St. Louis Regional Medical Center, 5535 Delmar Boulevard, St. Louis, Missouri 63112. A check in the amount of \$120 is enclosed to cover the appropriate fee.

We have reviewed the original application submitted on May 22, 1985 and attest that we are fulfilling all policies and procedures noted in the original documentation and will continue to do so in the future.

If you have any further questions regarding this matter, please feel free to contact myself or Richard Mendoza.

Sincerely,

Raymond Mattingly
Chief Executive Officer
