Subject: Request for USA Revalidation of Japanese MST-30 Package

Dear Mr. Conroy,

Edlow International Company has been requested to assist Sumitomo Corporation in the revalidation of the Japanese MST-30 Package in the United States. Please find enclosed the following documents for your review relating to the MST-30 package:

1. North American Version of Safety Analysis
2. Differential Table from the Safety Analysis
3. List of Pages with Proprietary Information
4. Japanese Package Validation – J/159/AF-96 (Rev. 3)

After reviewing these documents, please advise which steps need to be taken in order to revalidate this package. Thank you in advance for all your advice and consideration.

Cordially,

Adrian Rony
Edlow International Company
