RE: License Amendment 15-NRC Material License No. 21-32793-01

To Whom It May Concern:

Orchard, Hiltz & McCliment, Inc. (OHM Advisors) request an amendment to our current Radioactive Material License No. 21-32793-01, Amendment No. 15. All licensed material has been removed from the 1005 Corporate Dr., Mt. Pleasant, Michigan 48858 location. The requested change is to remove this permanent storage location from the referenced license. A decommission radiation survey was performed on March 27, 2020 following the removal of the portable gauges and is enclosed.

Please contact me at Jack.Niemi@ohm-advisors.com or 989-393-1723 if you have any questions or need additional information.

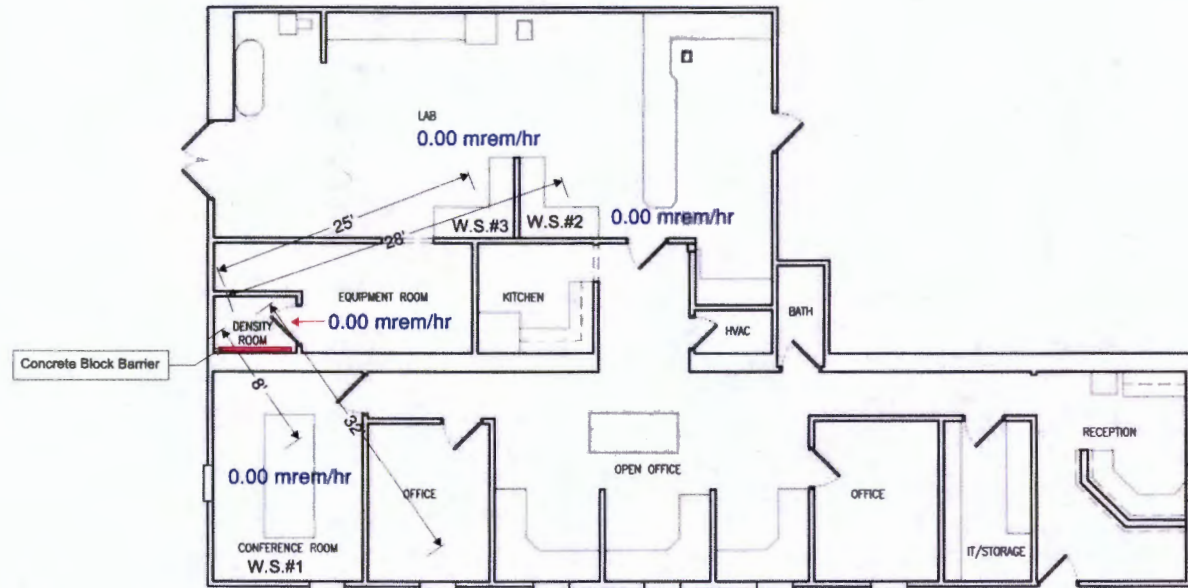

Sincerely,
OHM Advisors

Jack Niemi, Corporate RSO

Enclosure: Decommission Radiation Survey
