MEMORANDUM FOR: Dennis M. Crutchfield, Assistant Director  
 Division of PWR Licensing-B

FROM: John F. Stolz, Project Director  
 PWR Project Directorate #6  
 Division of PWR Licensing-B

SUBJECT: REVIEW OF NUREG-0737, ITEM II.D.1 SUBMITTALS

In response to your memorandum of June 11, 1986 to F. Miraglia requesting review of the proposed schedules for resolution of NUREG-0737, Item II.D.1 submittals, we concur with the schedules for the B&W plants as delineated in Enclosure 2 of your memorandum with the exception of the schedule for ANO-1. A request for additional information (RAI) for the ANO-1 review was forwarded to the licensee on June 20, 1986 and we can expect to provide EG&G the information response by August 22, 1986. Thus, we can expect a final TER for the ANO-1 review from EG&G about September 7, 1986.
