Telephone: (203) 799-1311 Telex: 432486 BRAND

Gentlemen:

In accordance with the regulations of the USNRC, this will advise you that the enclosed devices have been shipped under General License number 06-20804-02G.

The above license permits Brandhurst to distribute products containing tritium gas light sources, whereby the customer or end user is not required to apply for a specific license to receive and use a product containing product material.

A copy of the pertinent sections of USNRC, Title 10, Code of Federal Regulations covered the products shipped to you are shown below.

Please note that in some States, registration of receipt by the end user may be required. We attach a list of those States requiring registration at this time, with addresses of the office having jurisdiction and blank registration form.
