FOI/PA REQUEST

Case No: 97-461
Date Rec'd: 11-25-97
Action Off: Pool
Related Cases: _____

Nov. 20, 1997

To the office of:
Ken Clark
U.S. Nuclear Regulatory Commission
Atlanta Field Office
61 Forsyth St. SW Suite 23T85
Atlanta, Ga. 30303

Pursuant to Section 119.07 (1) (a), Florida Statutes, and the federal Freedom of Information Act, I hereby request that you provide the undersigned access to the following public records:

- * Any and all documents regarding complaints by employees at the St. Lucie Nuclear Power Plant on Hutchinson Island in St. Lucie County, Florida.
- * Any and all documents regarding the conclusions of investigations into complaints by employees at the St. Lucie Nuclear Power Plant.

If copies are needed, *The Port St. Lucie News* will pay the reasonable costs, as defined by Florida law.

If you believe you are not required to disclose any or all of the documents in your possession which fall within the scope of the foregoing request, please be advised of the requirements of Section 119.07 (2) (a), Florida Statutes. This statute provides that, if a person who has custody of a public record contends that the record or part of it is exempt from inspection and examination, that person must state the basis of the exemption which is believed to be applicable to the public record, including the statutory citation to an exemption created or afforded by statute, and, if requested by the person seeking to inspect, examine and copy the record, the custodian of the record must state in writing and with particularity the reasons for his conclusions that the record is exempt.

Pursuant to the foregoing statutory provision, if you believe the records requested above, or any portions of those records, are exempt from inspection, examination and copying, please provide a written statement describing with particularity the reasons and the statutory basis for your conclusion.
