This is in partial response to your letters dated February 3, February 10, February 17, February 24, March 3, March 10, March 17, March 24, and March 31, 1986, in which you requested, pursuant to the Freedom of Information Act, documents generated or prepared by Victor Stello since his appointment as Acting Executive Director for Operations. In a telephone conversation with Carol Ann Reed of my staff on January 28, 1986, you narrowed the scope of your previous requests for the same types of documents to 1) handwritten and typed notes of Victor Stello; 2) notes and correspondence dictated by V. Stello; 3) records reflecting V. Stello's decisions and comments and the records upon which the decisions and comments were based; 4) correspondence and other records prepared by V. Stello's staff which carry out a V. Stello directive; and 5) SECY papers signed by V. Stello. Therefore, these requests have been processed using these same guidelines.

The documents listed on the enclosed Appendix A are being placed in the NRC Public Document Room (PDR), 1717 H Street, NW, Washington, DC. You may obtain access by presenting a copy of this letter to the PDR staff or by requesting PDR folder FOIA-86-263 under your name.

The two documents listed on the enclosed Appendix B are also subject to your FOIA request designated as FOIA-86-157, and were addressed in that request.

One document subject to FOIA-86-80 and FOIA-86-82 and one document subject to FOIA-86-201 and FOIA-86-209 have been forwarded to the Office of Personnel Management and the General Accounting Office, respectively, for review and direct response to you.
