

RECEIVED AUG 29 1997

Victoreen, Inc.

Halima 972

Director of Nuclear Material
Safety and Safeguards
U.S. Nuclear Regulatory Commission
Washington, DC 20555

Subject: Quarterly Transfer Reports
Date: August 5, 1997

Gentlemen,

Pursuant to condition # 16 of our U.S. NRC License # 34-25957-01, and the requirements of 10 CFR 32.52, please be advised that no devices containing byproduct material have been transferred to general licensees authorized to receive such devices pursuant to 10 CFR 31.5 or equivalent State Regulations.

Sincerely,

W. H. Miller
