Re: FOIA Request

To whom it may concern:

Pursuant to the Freedom of Information Act (FOIA), 5 U.S.C. 552, as amended, the Government Accountability Project (GAP) requests copies of any and all agency records and information, including but not limited to notes, letters, memoranda, drafts, minutes, diaries, logs, calendars, tapes, transcripts, summaries, interview reports, procedures, instructions, engineering analyses, drawings, files, graphs, charts, maps, photographs, agreements, handwritten notes, studies, data sheets, notebooks, books, telephone messages, computations, voice recordings, computer runoffs, any other data compilations, interim and/or final reports, status reports, and any and all other records relevant to and/or generated in connection with OI Investigation 4-84-039, "Alleged Intimidation of QC Inspector," noticed in BN 86-14, April 4, 1986.

This request includes all agency records as defined in 10 C.F.R. 9.3a(b) and the NRC Manual, Appendix 0211, Parts 1.A.2 and A.3 (approved October 8, 1980), whether they currently exist in the NRC official, "working", investigative, or other files, or at any other location, including private residences.

If any records as defined in 10 C.F.R. 9.3a(b) and the NRC Manual, supra, and covered by this request have been destroyed and/or removed, or are destroyed and/or removed after receipt of this request, please provide all surrounding records, including but not limited to a list of all records which have been or are destroyed and/or removed, a description of the action(s) taken relevant to, generated in connection with, and/or issued in order to implement the action(s).

GAP requests that fees be waived, because "finding the information can be considered as primarily benefitting the general public." 5 U.S.C. 552(a) (4) (A). GAP is a non-profit, nonpartisan public interest organization concerned with honest and open government. Through its Citizens Clinic, GAP offers assistance to local public interest and citizens groups seeking to ensure the health and safety of their communities.
