ORDER

(Granting the State of New Hampshire and Attorney  
Stephen E. Merrill Participating under 10 CFR § 2.715(c)  
on Contentions Relating to the New Hampshire  
Radiological Emergency Response Plan)

The State of New Hampshire and Attorney General Stephen E. Merrill  
on March 19, 1986 petitioned under the provisions of 10 CFR § 2.715(c)  
to participate as an Interested State with respect to contentions filed  
by various parties on the New Hampshire Radiological Emergency Response  
Plan.

The NRC Staff response dated April 7, 1986 does not oppose the  
aforementioned petition.

The Board has considered the petition and the NRC response and  
finds the State's interests, as reflected in its petition, and grants  
the State of New Hampshire status to participate as an Interested State  
on contentions relating to the New Hampshire Radiological Emergency  
Response Plan.
