MEMORANDUM FOR: Thomas T. Martin, Regional Administrator
Region I

FROM: Barry R. Letts, Director
Office of Investigations Field Office, Region I

SUBJECT: CLOSURE OF CASE NO. 1-93-008: BEAVER VALLEY/ALLEGED
HARASSMENT AND INTIMIDATION

This investigation regarding potential wrongdoing was initiated by the Office of Investigations (OI) on February 23, 1993, under OI Case No. 1-93-008. Evaluation of the facts and circumstances surrounding the issues and coordination with your staff indicate that there exists no underlying violation(s) or regulatory requirement(s). Therefore, this office is closing Case No. 1-93-008 by this memorandum.

Copies of any pertinent documents, reports of interview, statements and transcripts obtained by OI during this investigation will be made available at your request. If, at a future date, your staff develops additional information which resurfaces the wrongdoing aspects of the issues involved, please advise my office and we will reevaluate.
