Subject: Quarterly Material Transfer Report

Dear Mr. Lubinski:

Enclosed is a copy of our 1995 Fourth Quarter report for transferring devices containing byproduct material to generally licensed persons.

All shipments listed in this report are approximately 1 microcurie C-14 sources contained in thermoluminescent dosimeter readers used to provide a stabilizing light source.

Additional copies have been sent to the appropriate Agreement States listed in this letter.

If you have any questions or require additional information, please do not hesitate to contact me at 216/349-6960, ext. 6594.

Sincerely,  
BICRON/SGNICC
