Dear Ms. Connor:

It has come to the staff's attention that you inadvertently received a document concerning the AP600. The document is a meeting summary dated September 30, 1997, titled "Summary of AP600 Meeting to Review the Structural Design of Nuclear Island Structures". This document was prematurely released to the public. In an effort to correct the problem, the staff is requesting all individuals that received a copy of the material to return the material to the staff. Please find attached an addressed, stamped, envelope in which to return the material. Your assistance in returning the material to the staff would be appreciated. If you have any questions regarding this matter please feel free to contact me at (301) 415-1132.

Sincerely,
