Docket No. 50-397

Washington Public Power Supply System
P. O. Box 968
3000 George Washington Way
Richland, Washington 99352

Attention: Mr. G. C. Sorensen, Manager
Regulatory Programs

Gentlemen:

Subject: Enforcement Conference

This will confirm Mr. Chaffee's telephone conversation with Mr. J. D. Martin on August 19, 1986, concerning an enforcement conference to be held between NRC and the Washington Public Power Supply System in the Region V office at 9:00 a.m. on August 28, 1986. Matters to be discussed include the current violations identified during the equipment qualification team inspection and the recent Region V team inspection, and the control of combustible materials as discussed in Inspection Report 86-22.

In addition, at your request, a meeting to discuss the results of the SALP evaluation will be held at 1:00 p.m. on August 28, also in the Region V office. In accordance with NRC Manual Chapter 0516, this meeting will be conducted as a public meeting, except for discussion of matters exempt from public disclosure pursuant to 10 CFR 2.790.

Anticipated attendees at the above meetings are shown on the enclosed meeting notices.

Sincerely,

Original signed by
